De La Salle School Gets Results!

Freeport -- The De La Salle School Honor Roll students gathered recently to celebrate their academic achievement (18 of the 21 are pictured). Representing nearly fifty percent of the total school enrollment, these young men are proof that small classes, individual attention, and a spiritual foundation can produce outstanding results. “This is the highest percentage of honor roll students in the history of The De La Salle School,” noted Dean of Academics and social studies teacher, Mrs. Kathy Boniello. “Considering that our students typically start their academic career at The De La Salle School lagging behind in the development of basic academic skills, this is a tremendous accomplishment and a testament to their hard work and the individual attention they receive from teachers and tutors.”

Enrollment for young men entering fifth or sixth grade in September of 2008 is currently taking place. To arrange a tour of the school or for more information, please call 516-379-8660 or visit www.DeLaSalleSchool.org.

The De La Salle School is a scholarship Catholic school in the Diocese of Rockville Centre that shares in the Lasallian heritage and exists to provide a quality education for young men in fifth through eighth grade from economically disadvantaged backgrounds. Its curriculum meets and surpasses the guidelines established by the Board of Regents of the State of New York.
