

THE DE LA SALLE *Dispatch*

15 August 2006

A Message From Brother Thomas

Greetings and welcome to our newest communication tool – The De La Salle Dispatch! This brief, informative on-line newsletter will be sent via e-mail twice a month to Trustees, Director's Advisory Council Members, benefactors, volunteers, staff, and friends and is intended to keep readers up-to-date on what's happening at The De La Salle School. It will bring news of upcoming events, progress made by our students, trends in education, volunteer opportunities at the school, etc.

First, it is my pleasure to announce the appointment of Abbie Hattauer as The De La Salle School Director of Development. Abbie was most recently Manager of Public Relations for Family and Children's Association. Her expertise and enthusiasm will assist us in securing the future of our scholarship school. "I'm so pleased to be working at The De La Salle School supporting its mission of educating young men. My efforts will be devoted to increasing awareness about the school and building its financial resources through scholarship sponsorships and major gifts."

Upcoming September Events

Two events are scheduled for September – the first a “friend raiser” and the second a “fund raiser.”

Saturday, 16 September 2006 will find many of Freeport’s business leaders gathering at the corner of South Ocean Avenue and Archer Street at the magnificent Tudor home of Michael Bower and Robert Delmond for **“Cocktails by the Pool.”** Brother Thomas, benefactors, and Trustees will share the story of The De La Salle School and the unique educational opportunity offered to its students. For more information, please contact Abbie Hattauer at ahattauer49@yahoo.com.

Monday, 25 September 2006 is The De La Salle School’s fourth annual **Golf Outing**. To be held at The Lawrence Country Club, this event is one of our major fund raisers of the year. Our hard-working golf committee -- Thomas Gambino, Marty Bevilacqua, Anthony Giammona, and Brother Thomas – are busy “putting” all the pieces together for another fabulous day of golf, food, fellowship, and fun. Again, for more information, please contact Abbie.

Timely Tip for Personal Time Management*

Kathy Prochaska-Cue, Extension Family Economics Specialist

Spend time planning and organizing – Using time to think and plan is time well-spent. In fact, if you fail to take time for planning, you are, in effect, planning to fail. Organize in a way that makes sense to you. If you need color and pictures, use a lot on your calendar or planning book. Some people need to have papers filed away; others get their creative energy from their piles. So forget the “shoulds” and organize your way.
